Dear Mr. Bonney:

Your intended departure from Government service to accept an appointment with the newly established Aerospace Corporation has been brought to my attention. Congratulations and best wishes for the future.

I want to take this opportunity to express my personal gratitude for the service you have rendered to major programs of concern both to this Agency and to the Nation's security and well being. It is regrettable that the contributions you have made to the furtherance of these programs cannot be given public recognition.

Please accept on behalf of Mr. Dulles, myself and your many friends in the Central Intelligence Agency our gratitude for a job well done.

Sincerely,

C. P. Cabell

MEMORANDUM FOR: Director of Central Intelligence

SUBJECT: Commendation Letter  
Walter T. Bonney (NASA)

The attached letter of commendation is submitted for your approval and signature.

In view of Mr. Bonney's long and faithful service to Project CHALICE and the valued service he performed in furthering the cover publicity of that project, I consider recognition in this form to be most appropriate.

There is also the possibility that in his new capacity as Director of Public Relations at Aerospace Corporation he may, at some future date, again be of assistance to the Agency and its efforts in the field of science.

I will be pleased to make the necessary arrangements to have the letter hand carried to Mr. Bonney.

Your signature is recommended.
